

Membership Application

It is important that the name of Extraordinary League Non-Profit Organization, be associated with integrity, ethics, and values that support the public good. Extraordinary League NPO, membership equates an NPO with being legitimate, active, and ethical. For this reason, the approval process is more extensive than other associations. However, once your membership is approved, you join a special family of people who strive for excellence in all that they do. Furthermore, we are working towards keeping the annual dues much lower than most organizations, having been formed by an NPO to serve its constituents.
